Dear Children and Teachers

**Community Larder**

I should like to thank all of you very much indeed for bringing so many tins and other goods to your Harvest Festival to help the Community Larder this Autumn.

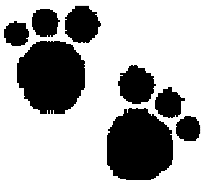

All the goodies you have collected will make such a difference to people who are hungry, have no money and perhaps nowhere to live. Can you imagine how awful that is? The Community Larder was nearly bare a few weeks ago because, sadly, it is always busy, so I am extra grateful to you all for making a Harvest collection for us. It will be a great help now that winter is coming. Everyone has been brilliant. I've been busy sorting the tins into boxes and I have sore paws. I think there are nearly 5000 tins in the Larder!!!!

It is really good that you are trying to help people who don't have all the things that we take for granted each day.

Once again, my special furry thanks for your support and help. I do hope that one day I will be able to come and visit you and tell you what happens to all the food.

Well done all of you!

Best wishes

**Bertie Bear**
