Inspiration and encouragement!

We hope that in these pages you will find people, ideas and resources to inspire and encourage you, and help you and your church inspire and encourage others to make a difference in God’s world, sharing God’s love for all people and creation.

We hope too that we, the diocesan support ministers listed here, and the courses and resources offered to you, can help you turn your mission planning into action. This booklet offers you a directory of support and resources, tried, tested, and recommended for use, here in Hereford Diocese.

We have chosen for this year an image from the Follow! events that were held across our diocese in September... The fruits of our ministries supported by our desire to see God’s Kingdom come on Earth, as we proclaim Christ and grow as his disciples. Pray with us that together we can be, through who we are, and what we do, “signs” and “agents” of God’s kingdom, “on earth as in heaven”.

Section I: Exploring God's Mission —and our part to play

It all starts with God's mission: with God ALREADY at work in the world—with God's longings, and promises for people and all creation. When we pray "Your kingdom come on earth as in heaven" God takes our prayer seriously and invites us to get involved.

And so we talk about "God's mission", not ours— God's mission of transforming love for all people, all creation, and all time. Our every small act of love, compassion, generosity, courage, in Christ's name, adds up!
